

COST COMPARISON: Clear Comfort vs. UV

Case Study: 165,000 gallon pool

	CLEAR COMFORT	TYPICAL UV
Baseline chlorine only sanitizer	\$8,400	\$8,400
Chlorine savings*	(\$4,200)	\$1,000
Energy to operate	\$300	\$3,150
Annual maintenance	\$2,995	\$4,800
Annual total expense	\$7,495	\$17,350 60% Savings
Upfront deployment capital	\$15,000	\$30,000
5 year total cost of ownership	\$49,480	\$111,950 58% Savings

*UV consumes 12 to 15 percent additional chlorine than a traditional chlorine system alone.
